PARNU 
SUMMER
RACE2025

Welcome to Parnu Summer Race 2025!

Dear participants of the **Parnu Summer Race 2025**,

On behalf of the Baltic Racing Series – organizer of the event, it is my heartfelt pleasure to welcome you all to the **Parnu Summer Race 2025**, taking place from July 3rd to 6th at the renowned circuit racetrack - Porsche Ring.

We are delighted to host this exhilarating event that brings together passionate racers, dedicated teams, and enthusiastic fans of racing from around the Baltic region. The spirit of competition and camaraderie that you all embody makes this event truly special.

It is our greatest pleasure to host participants of the Baltic Touring Car Championship and Baltic Time Attack racing series, teams of Nankang Endurance Academy and Hankook Endurance Challenge racing series as well as the racers of the Formula Historic series, which will result to unforgettable and intensive weekend, full of races and positive emotions.

The Porsche Ring, with its challenging curves and high-speed straights, promises to offer an exciting and memorable experience for everyone involved. Whether you are a seasoned racer or a newcomer to the track, we wish you the best of luck and hope that you will enjoy every moment of the upcoming races.

Thank you for being a part of this incredible event. Let's make the Parnu Summer Race 2025 an unforgettable celebration of speed, skill, and sportsmanship.

Warm regards,

Jānis Ducmanis

NOISE REGULATIONS IN “PORSCHERING”

IMPORTANT

Valid from 01.03.2020.

Static test for cars

The initial test is a static test which is carried out using a handheld meter that is accepted and regulated by Porsche Ring circuit. There must be a working rev counter. Each car is measured 0,5 meters away from the exhaust at 45° degree angle when the engine is being **held at 6,000 rpm**. In cases where the vehicle has two separated exhausts the measurement will be taken as below from the median point between two. **Maximum noise at static test allowed is 105 dB (A).**

Pass by noise test

No vehicle is allowed to drive at the track if the passing by noise exceeds **113 dB (A)**. Black flag will be shown to the vehicle if the noise is higher than quoted, which means that the vehicle must leave the track at the end of the lap.
